Autonomous Port Consortium
The Commissioner
Naples

3 February 1977

Admiral Stansfield Turner,
Commander-in-Chief Allied Forces Southern Europe
Bagnoli, Naples

Dear Admiral,

At this moment that I have completed my task and leave the Consortium in the hands of its President, Prof. Stefano Riccio, I wish to say good-bye to you and to thank you for all the help you have offered to me and for the excellent relations which had already been established and which have now been consolidated between the U.S. Naval authorities and the Autonomous Consortium of the Port of Naples.

At a personnel level I am very grateful for your kindness to me in inviting me to take part in the various ceremonies and celebrations which you have held both on shore and at sea and which are particularly dear to me as a sailor and a former NATO officer.

With all my warmest wishes for great success to both you personally and to your Headquarters, I remain,

Yours truly,

s/. Giovanni Giometti
